Nacida en Barcelona en los años 40 como un taller familiar de fundición de metales, Maset evolucionó hasta convertirse en uno de los referentes internacionales del diseño en iluminación. Sus colecciones se distinguen por la autenticidad, la sencillez y el impacto visual, con un propósito claro: explorar la luz, sus matices y sus efectos para crear atmósferas con carácter que mejoren la calidad de vida. Elegantes, funcionales y altamente decorativas, las lámparas Maset se adaptan tanto a ambientes contemporáneos como a contextos más cálidos y clásicos, convirtiéndose siempre en el elemento que define el espacio.

En Iluminarq encontrará una selección de sus colecciones más icónicas, respaldada por la asesoría de nuestro equipo especializado.
